

Community Consultation  
Symal Court

# Symal Court

You are invited to view our proposals for a  
new mixed-use development at  
421-423 Edgware Road, NW9 0HS.

## *have your say...*

Sheen Lane Developments is currently working on proposals to deliver a new mixed use residential development at 421-423 Edgware Road.

This would see the delivery of a high quality scheme that will provide 260 homes for local people and 1,800sqm of retail space.

As part of our commitment to consulting with our neighbours, we would be delighted to hear your views on the emerging proposals. Please visit our dedicated online community website that both displays the plans and offers the opportunity to provide feedback.

Throughout the consultation process, we will continue to work with local residents, ensuring that we listen carefully and fully consider their views on our proposals.

## How to get involved

Simply visit our website where you can fill in our feedback form and have your say.
